

## Parent Permission Slip Head Check

On occasion a parent will call St. Agnes to inform us that their child has a case of head lice. When that report comes to us, we immediately send home a notice to all parents with children in that child's homeroom so that parents can take appropriate action.

This year we would like your permission to have your child's head checked by a nurse if a case of head lice is reported in your child's room. The check will be performed in private. I will get the results and report them back to you. Every child who has their head checked will get a letter with one of the following statements checked.

1. Your child's head shows no evidence of head lice.
2. Possible head lice please have our child checked.
3. Head lice have been found on your child's head

Please sign and return this permission form as soon as possible. Please complete one form for each of your children.

This permission form will remain in effect until the named child leaves St. Agnes School or his/her parent requests otherwise, in writing.

\_\_\_\_\_ I give St. Agnes permission to check my child for  
head lice

\_\_\_\_\_ I/we do NOT give St. Agnes permission to check my child  
for head lice
